**Wildflower Cafe Outdoor Dining & Take-out - Inside is closed.** When the times change the Wildflower Cafe shifts and pivots how we can continue to create awesome food and great experiences. ***Since we do not yet have full staff, we are limiting our hours and are not full service though we will wow you with our charm and deliciousness as best we can.*** We appreciate your patience while we navigate these circumstances.

\*

**Wildflower's award winning delicious food, ambiance, atmosphere and the full service experience are the combinations that have made us regionally famous.** *Outdoor dining without a full staff will not be full service as we are accustomed to but we will do our very best to accommodate you as best we can.*

\*

**New times, New ways...** *Our friendly Wildflower family will greet you and welcome you to the store and place your food order. **We have lovely places for you to dine on our terrace and lawn.** All meals are served in take out containers. You are welcome to dine under our tent and on our lawn based on availability. We are not taking reservations so it is first come first serve. There are also nice places around town to have a picnic. You could bring a blanket or tailgate as well.*

\*

**Store is open with New Art!** *We are requiring masks to come visit the store and pay for meals. We are not requiring masks outside. **If you prefer not to wear a mask then we can take your payment outside and we provided porta-potties on the west corner of the parking lot.** Wildflower closed recently due to a possible exposure to the staff. We are now requiring all staff to be tested before coming back to work. We will also check staff temps daily. Our caution is not to make a statement but just to do the best we know how to do.*
