

Wildflower Cafe Outdoor Dining and Take out Available

Call 256-634-0066
to place your order for Take out or
for Outdoor Dining

You may also place your order for take out
or outdoor dining with the hostess when
you arrive at the cafe.

Outdoor dining at this time is not full service and we
have very minimal heat on our terrace. It is cold in
Mentone so bundle up or bring blankets. We do
occasionally have some warm days in winter.

You can call in your order or place your order with
the hostess when you arrive. You will pay for your
order with the hostess and your order will be served
in environmentally friendly take out with disposable
utensils and cups.
